Florence Nelson, lyric soprano, who has contributed generously to the success of several entertainments for the fund, has just returned from a tour of military camps, where she delighted the solders with her singing. She is arranging to give a recital in Mehlin Hall, a East Porty-third street, the evening of March I, and has declared her intention of giving the fund a percentage of her receipts.

A letter which reached Miss Nelson the other day from N. T. Quevedo of the 188th Aero Squadron contained these paragraphs:

Tirkets for the bridge drive of the Toesday Luncheon Club, to be given in the second week in March at the National Permocratic Club, 617 Fifth avelue, are selling well, and Miss Ottille Richle, who has the sale in charge, already is assured that there will be a substantial sum to turn over to the fund. The smokes project is to receive the entire profits. Tickets sell at \$1.25 and Miss Richle's address is 645 West End avenue.

If Corporal Robert Derby Holmes, another tried and true fund booster, can effect a slight change of date he will be the war speaker at the benefit for the fund to be given by the alumni of the Submit, N. Here's a Sabbath morning thought: You aren't doing your bit toward winning the war if you smoke selfishly. That is to say, if you smoke, without taking thought of the pleasure which tobacco gives the soldiers also. You are doubly selfish if, in buying for yourself, you pocket the certificates and coupons for your own use.

You receive coupons or certificates without charge if you make your purchases in a United or a Schulte cigar store. It costs you absolutely nothing to deposit them in The Sun Tobacco, Fund box—there's a box in each of these stores—but the contribution, insignificant as it seems, means more smokes for the

The Sin Tobacco Fund starts this week with a thousand dollars more than it had at the end of last week. In other words, it has moved a notch since the since with the since the search means more smokes for the inen at the front.

A collection taken from boxes in an few of the United stores yesterday boosted the receipts from that firm to \$36,248.39. That fermidable figure gives an idea of the important part the certificates play in this campaign. Don't forget, either, that in any Schulte store you may purchase tobacco orders payable to The Sun Tobacco Fund, and that to every dollar's worth or orders so placed D. A. Schulte, the president, adds 30 cents as his personal contribution.
